Pawnee City can have one more bin for an additional \$60.00 per month or two more bins for an additional \$120.00 per month. The bins are paid for with an additional \$1.00 per month added on to the garbage bills in Pawnee City. John indicated that county residents, residents from other villages, along with Pawnee City residents use the dumpsters. The City wanted to know if the County would assist in paying for additional bins. The Board offered some other resources that the City could research for help with recycling funding.
