

## **Driveway Culvert Policy**

Pawnee County will furnish 1, 30 ft section, of the determined diameter driveway culvert, per parcel, for new and replacement driveways. Installation will be done by the County, unless otherwise permitted. The applicant shall pay for culvert lengths exceeding 30 ft, at the current per foot price. Requests for new and replacement driveway culverts can be made by contacting the Pawnee County Road Department at 402-852-2981.
